**Mary Mary**

**Wade in the water children  
Wade in the water  
Dont you know that  
Gods gonna trouble the water  
Dont you know that  
Gods gonna trouble the water  
I stepped in water and the  
water is cold  
Dont you know that  
Gods gonna trouble the water  
Said it chilled my body but not  
my soul  
Dont you know that  
Gods gonna trouble the water**
